QUALITY POLICY

We, Mega Pak Zimbabwe manufacture and market plastic packaging in Zimbabwe and export to the Southern African region. Our purpose is to produce quality products that satisfy the needs of our customers and we have a deliberate strategy of continually improving the quality of our products and services to meet the ever changing market needs. Our quality management system is designed to ensure the maintenance of the product quality through the evaluation, inspection and verification processes at all stages of production.

We are committed to our customer's requirements while complying with regulatory and statutory requirements. We also commit to continually improve the effectiveness of our quality management system by meeting all our set quality management objectives. The Company's top management reviews the system periodically

The Company's top management is committed to providing human and financial resources to ensure that the policy commitments are achieved. The policy will be communicated to all employees, customers, contractors and other stakeholders. Management reviews will be done to consider performance of this quality management, and the policy and its objectives will also be reviewed for relevance periodically.
